

AUTEN ROAD INTERMEDIATE SCHOOL

Achieving Excellence Together!

March 6, 2017

Dear Parent / Guardian,

It's that time of the year for you and your child to select a world language that he/she would like to study while at Auten Road and Hillsborough Middle School.

As you may already know, students will have the opportunity to study one of five languages: Chinese, French, German, Italian, or Spanish. Once selected, students will not be allowed to make a change in their language of study until grade 9. In other words, the language that your child selects will be the language that they will be assigned for grades 5 through 8. Please choose carefully as only incoming freshmen at Hillsborough High School will have the option to continue to study the same language or switch to a new language.

Please follow the instructions below to input your child's World Language information. Every effort will be made to honor your child's first request; however, two languages are required in the event that a scheduling conflict arises as we balance your child's academic needs in the upcoming year.

Your child's information and his/her World Languages will need to be entered by the end of the school day on **Monday, April 3**. If information is not submitted, a language will be assigned for your child based upon availability.
