Catholic Charities, Diocese of Metuchen will be offering a 15% discount to Kindergarten families whose children attend the Hillsborough School District CAP Program and attend a Catholic Charities aftercare program offered at the following schools: Amsterdam, Auten Road, Hillsborough Elementary, Sunnymead, Triangle, Woods Road, and Woodfern.

Since 1995, Catholic Charities has offered a before and/or afterschool program at the above named schools licensed by the Department of Children and Families, Office of Licensing. Our programs include a healthy snack, homework assistance, participation in physical activities, outside play, art and literacy activities, social-emotional learning, STEM, and varied enrichment activities as a daily part of the schedule. Each program is managed by a trained Site Supervisor with support from additional qualified child care staff in an environment children are encouraged to promote character development and participate in activities during the before and after school hours. The program provides ongoing opportunities for social activities and learning skills in a safe and supportive environment.

If you would like more program information, feel free to contact the Catholic Charities office in Bridgewater and speak with Dawn Rannie-White, Assistant Program Director. If you wish to enroll in our program and need enrollment forms sent to you please contact Gisela Tavares at 732-934-2800. Enrollment forms will be available at Hillsborough Kindergarten registration and are also available electronically on the Catholic Charities website at <http://www.ccdom.org/child-care> .
