

Hello students!!!

Welcome to third grade!! My name is Mrs. Hopson and I am very excited to be your teacher for the new school year.

I am thrilled to be working with you! This is my 30th year at HES and most of those years have been spent in third grade, which is my favorite grade.

I have two children (Hannah who is 23 and Julia who is 20) Hannah is a nurse and lives in Philadelphia. She works at the Children's Hospital of Philadelphia and Julia is starting her third year at Temple University studying finance! My husband and I often go to Philly to see the girls. As a family we really enjoy going to the beach. Often you will see me around town riding my bike or out for a hike! I also love to bake and read!

Please keep reading over the summer, and take some time to practice your addition and subtraction facts. I know that you are going to love all of the amazing activities that await you in third grade.

Parents, take a moment to check out the third grade supply list. We will need these items as soon as possible as we spend the first few days setting up for the year. Please reach out to me with any questions. I am looking forward to a fantastic year!

See you soon!

Your teacher,
Mrs. Hopson
