

Dear students and families,

Welcome to second grade! I am very excited to be your teacher this year and I look forward to meeting you all soon. Second grade is an awesome year and I have lots of fun activities planned. Get ready to learn, make memories with friends, and have lots of fun!

Here is a little bit about me.

- *This will be my third year teaching second grade at HES.*
- *My favorite subject to teach is reading so my classroom has LOTS of books. I am always looking for great new books to help my students love reading so if you have a favorite book series, please let me know!*
- *Speaking of books, I got a Kindle for my birthday this year which I am very excited about.*
- *I have two cats, Misty and Daisy, who I love very much.*
- *When I was your age, I did gymnastics.*
- *My favorite foods are fruit salad and ice cream.*
- *My favorite places are my classroom and the beach.*

I would LOVE to hear a little bit about you! If you want to (this is completely optional), write or type me a letter introducing yourself and have mom or dad email it to me. I'll write you a letter back so we can start to get to know each other before the school year begins!

Please keep reading over the summer and take some time to practice your addition and subtraction facts. I can't wait to meet you soon and begin our second grade adventure together.

Parents, please take a moment to look at the second grade supply list. We will need these items as soon as possible as we spend the first few days setting up for the year. Please reach out to me if you have any questions. I am looking forward to a fantastic year!

See you soon!

*Sincerely,
Ms. Wester
